Dear Supervisors:

**PARKS AND RECREATION: ADOPT A RESOLUTION AUTHORIZING

DEPARTMENT OF PARKS AND RECREATION  
STATEWIDE PARK DEVELOPMENT AND  
COMMUNITY REVITALIZATION PROGRAM OF 2008  
(SUPERVISORIAL DISTRICTS 1, 2, 4 AND 5) (3 VOTES)**

**SUBJECT**

Request to adopt a resolution authorizing the submission of four competitive grant applications to the State of California Department of Parks and Recreation's Statewide Park Development and Community Revitalization Program of 2008. This Statewide Park Program is funded by the Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection Bond Act of 2006 (Proposition 84).

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Find that the Martin Luther King Fitness Center and Charles White Park Improvements projects are categorically exempt from the California Environmental Quality Act according to Sections 15301 (c), 15303 (e) and 15304 (a) of the California Environmental Quality Act Guidelines and Classes 1 (f), 3(b) and 4 (a) of the Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987, because the projects to be undertaken using the grant funds involve alteration of existing facilities, construction of new small facilities and minor grading and landscaping.

#### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of the recommended actions is to complete the grant submission process as required by the State of California Department of Parks and Recreation's Statewide Park Development and Community Revitalization Program of 2008 (Statewide Park Program) grant guidelines.

Approval of the recommended actions does not constitute final approval of the four projects described herein. If the subject grants funds are awarded to and accepted for these projects, the Chief Executive Office will return to your Board to recommend approval of final project scope of work, total project budget and method of delivery for each project.

#### **4<sup>th</sup> Avenue Park Development (Supervisory District 1)**

The proposed project will construct a new 5-acre neighborhood park located at 553 South 4<sup>th</sup> Avenue in the unincorporated community of La Puente, California. The proposed project will provide improvements to Charles White Park located at 77 Mountain View Street in Altadena, California. The improvements will provide the following new amenities: splash pad, basketball court, pathways, par course, parking, lighting, landscaping, and irrigation. The estimated total cost of the improvements and grant request is \$4,740,136.

**Implementation of Strategic Plan Goals**

These recommended actions meet the following County's approved Strategic Plan Goals: Operational Effectiveness (Goal 1) by maximizing the effectiveness of the County's processes, structure, and operations to support timely delivery of customer-oriented and efficient public services; Children, Family and Adult Well-Being (Goal 2) by promoting outdoor recreation; and Community and Municipal Services (Goal 3) by enriching the lives of Los Angeles County's residents and visitors by providing access to cultural, recreational and learning facilities programs and ensuring quality regional open space.

### **FISCAL IMPACT/FINANCING**

Approval of the recommended actions will not have an impact on net County cost. The grant program does not require a funding match, but additional funding will be provided as follows.

The estimated cost for 4<sup>th</sup> Avenue Park Development is \$6,330,849. The grant amount requested is \$5,000,000; the balance of \$1,330,849 will be provided by CDC.

The estimated cost and grant request for the MLK Fitness Center is \$835,476.

The estimated cost for the Hillgrove Park Development is \$20,932,127. The grant amount requested is \$5,000,000; the balance of \$15,932,127 will be provided by Various Fourth District Improvements Capital Project Funds and the Puente Hills Landfill – Community Benefit and Environmental Trust Funds.

The estimated cost and grant request for the Charles White Park improvements is \$4,740,136.

### **Operating Budget Impact**

The recommended actions allow the Department of Parks and Recreation (Department) to submit park development projects for grant funding. Additional operating costs may materialize but is dependent on which project(s) is awarded by the grantor. The Department will identify the additional operating costs upon award and acceptance of grant funds.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

On November 7, 2006, California voters passed the \$5.4 billion Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal protection Bond Act of 2006 (Proposition 84). Funding for the Statewide Park Program was made available through the Sustainable Communities and Climate Change Reduction chapter in Proposition 84.

The \$368 million Statewide Park Program (Program) is administered by California State Parks and provides funds to counties, cities, districts, non-profits, and joint powers authorities. The grant funds will be available in a minimum of two rounds of approximately \$196 million each. The Program awards grants on a competitive basis for the creation of new parks and new recreation opportunities in proximity to the most

critically underserved communities across California. The creation of new parks in underserved neighborhoods will be given priority.

The Program implementing legislation requires that proposed projects meet six eligibility requirements: 1) Critical lack of park space or significant poverty; 2) type of project; 3) safe public use; 4) sustainable techniques; 5) project funding; and 6) fees and hours of operation. Eligible projects must be either an acquisition and development combination project or a development project. The application deadline is March 1, 2010.

The CDC received funding from the First Supervisorial District to acquire and develop 4<sup>th</sup> Avenue Park. It has been the past practice of CDC that upon completion of the project, that it transfer the property to the Department for operation and maintenance.

With regards to the MLK Fitness Center project, the property is owned by the County. However, there is a strip of land, adjacent to the property, located on Bandera Street that needs to be vacated to complete the project. Negotiations are currently being conducted with the property owners, CDC and the Los Angeles County Fire District.

On January 27, 2009, the County of Los Angeles entered into an Option Agreement for Ground Lease and Joint Use with the Hacienda La Puente Unified School District for the Hillgrove Park Development Project.

Charles White Park is owned by the County.

Adoption of the attached Resolution is required in order to establish the Board's intent to apply for State grant funds. Notification of award is scheduled to be announced in September 2010, and grantees will receive a contract with the award letter.

Departments are required to attach Grant Management Statement forms when filing a Board letter for grants of \$100,000, or more. The Grant Management Statement forms for the proposed projects are attached.

If the grant(s) is awarded, a grant agreement(s) must be executed between the Department and State Department of Parks and Recreation. The Department must comply with all the requirements set forth in the Grantor's procedural guide.

County Counsel has reviewed this letter and approved the Resolution as to form.

### **ENVIRONMENTAL DOCUMENTATION**

The MLK Fitness Center and Charles White Park projects are categorically exempt from the California Environmental Quality Act (CEQA) according to Sections 15301, 15303 (d), (e) and 15304 (a), (b) of the State CEQA Guidelines and Classes 1 (f), 3(b) and 4 (a) of the Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987, because the projects involve alteration of existing facilities, construction of new small facilities and minor grading and landscaping

The Department is the lead agency for the 4<sup>th</sup> Avenue and Hillgrove Park Development projects and upon confirmation of the projects' detailed scopes of work; it will prepare the appropriate CEQA documentation to be returned to your Board for approval prior to construction.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The proposed actions will not have any impact on current services or projects.

### **CONCLUSION**

Please return one adopted copy of this Board letter to the Chief Executive Office, Capital Projects Division, and the Department of Parks and Recreation.

Respectfully submitted,

WILLIAM T FUJIOKA  
Chief Executive Officer
